

Junior Class of 2023 Electives for 2021-2022

Please select the electives you are interested in taking during the 2021-2022 school year. Your English, math, science, social science and PE teachers will electronically schedule course recommendations. Prior to meeting with your counselor, please discuss your schedule with your parents/guardians and finalize your elective choices. Complete the online Course Selection Form located on the PPS website by January 19, 2021. *Classes marked with a ^Y are yearlong courses and ^S are semester courses.*
