

Senior Class of 2022 Electives for 2021-2022

Please select the electives you are interested in taking during the 2021-2022 school year. Your English and PE teachers will electronically schedule course recommendations. It is recommended that students check college requirements prior to registering for senior year courses. Prior to meeting with your counselor, please discuss your schedule with your parents/guardians and finalize your elective choices. Complete the online Course Selection Form located on the PPS website by January 19, 2021. *Classes marked with a ^Y are yearlong courses and ^S are semester courses.*
